Greece Islands Travel and Party Jewish Singles Itinerary

Vacation Day 1 - Athens, Greece

Your singles vacation begins you arrive at the Athens airport and met by our local representative. You will then be transferred to the group's hotel. Our hotel is located around the corner from the Plaka (the oldest section of Athens), shopping and near all the ancient sites, so arrive early and spend the day exploring Athens.

Tonight we meet our Greek tour leader, USA host and our fellow Jewish single travelers in the hotel lobby at 7:00 pm. Then enjoy a fabulous welcome dinner at a local Greek restaurant in the Plaka. At night the Plaka is full of street musicians, flower sellers, photographers and most shops are still open.

Vacation Day 2 - Athens to Paros Greece

This morning we ferry through the Cycladic islands to the island of Paros, with its traditional Greek vives, cool beaches & quaint fishing villages. Upon arrival we transfer to the Saint Andrea Hotel Seaside Resort. After check-in we will tour around the island of Paros, starting with Naoussa village, a cute seaside spot with a tiny fishing harbor. It is also a great spot to grab a bite for lunch. Then enjoy Paros' typical countryside with its gentle, terraced hills, magnificent rock formations, endless vineyards, olive groves and fruit trees.

Since most of the bars and cafes are located in Parikia are along the seafront, we will go there tonight. We can begin our night's entertainment by 'bar hopping' along the promenade, stopping off to eat at one of the many excellent restaurants along the way, and ending up in the club area at the end of the seafront.

Vacation Day 3 - Paros, Greece

Spend the day relaxing by the hotel pool, strolling the narrow streets of Paros or take an optional cruise on a typical Greek boat, a Caique, to some of the gorgeous nearby islands & beaches for a spot of swimming & relaxing away from the town.

Later we head to a local restaurant in Naoussa for a tasty, local dinner (optional). If you're up for another exciting night out ask our tour leader for some tips. Many of the bars and club venues are housed in old renovated fisherman's storage areas.

Vacation Day 4 - Paros to Athens, Greece

Late this morning we say good-bye to Paros, as we board our ferry for a short ride to the island of Mykonos, the jewel of the Mediterranean. On Mykonos we will find beautiful beaches, chic boutiques and an invigorating night life. Hundreds of tiny chapels dot this blue and whitewashed island with its beautiful windmills. After we check-in to the Andronikos Hotel, take time to enjoy the pool or have lunch before our guided tour of Chora, also known as Mykonos Town.

Definitely one of the nicest and most charming towns of the Greek islands, with narrow and winding streets, shops, windmills, churches and whitewashed buildings. Because of the street layout, intended to confuse pirates, you can wonder around Chora for days and find something unexpected at every turn.

The early evening scene is centered on Little Venice where we can sip a cocktail and have something to eat at one of the many bars and cafes which are so close to the water's edge that your feet get soaked when a boat passes. As soon as the sun goes down, the narrow streets fill with travelers ready to party and dance all night long. There are over 32 nightclubs and bars in Mykonos, the party island and our guide will show us which are the best.

Vacation Day 5 - Mykonos, Greece - See you at Paradise!

If you're a beach lover, water enthusiast or just love to party, then you will really appreciate our full day of fun, sand and sun. At Paradise beach, one of the most famous beaches in the world we will find everything we need: beautiful beaches, crystal clear water, party atmosphere and water sports. At Paradise beach have a drink, relax upon wooden sunbeds under an umbrella and have lunch in the self service restaurant with delicious Italian and Greek cuisine.

At Paradise beach the fun starts early on the beach and in the water and continues later with shots, drinks and cocktails at the bar. By the end of the day the beach is full of enthusiastic boys and girls dancing in frantic rhythms to the music. The beach parties starts at 5:00 pm in the evening and continues till late in the night.

Tonight is a very special night because it is our turn to show Mykonos, Greece how Jewish singles like to party! - Private beach party tonight. We have 4 hours with our own private DJ and unlimited wine and beer. After our private party you can continue on at Paradise Beach which transforms into a huge club with music and people dancing on the sand and the rocks until dawn.

Vacation Day 6 - Mykonos to Santorini, Greece

Sleep late, head to the beach, relax by the pool, the choice is yours as how you wish to spend our final morning on this beautiful island of Mykonos. Today we travel on an afternoon ferry to the island of Santorini, perhaps the most breathtaking of all the Greek Islands.

Cruise along the beautiful high cliffs with the tiny looking white villages along the top as we approach the island of Santorini. We disembark our ferry and are transferred to the Arressana Spa Hotel located in the heart of Fira, the island's largest town, the center of Santorini's nightlife and one of the most picturesque spots in all of Greece. If you like action, lots of restaurant choices, and the most-happening clubs then this is where you'll want to be this July.

Late afternoon our private Greek guide will show us around Fira. Walk around the narrow streets and explore the white-washed houses, amazing views and glittering boutiques. Then we will stop to enjoy a sunset dinner (not included) at one of the open-air cafes that cling to the steep cliffs and feature an incredible panoramic sight over the submerged volcano. Then it is time to start our party night at one of Santorini's hottest night clubs.

Vacation Day 7 - Santorini, Greece

Today we have a guided bus tour around this amazing island, hear more about the history and sites of Santorini and of course we will check out the beaches. We stop at the Prophet Elias Monastery, founded in 1711 and built on the highest point of the island, for the majestic panoramic view of the entire island and the caldera. Next we drive on to admire the unique landscape of red and black volcanic rocks at the famous Red Beach located by the village of Akrotiri. Then on to the black beach of Perissa where we can have lunch and swim before proceeding to our wine tasting and tour.

The Koutsoyannopoulos Wine Museum occupies a natural cave and is twenty six feet below ground, 1000 feet long and has a labyrinth-like shape. The museum presents the history of wine and the life of vine-growers in Santorini since the 1600s. Then you will have the chance to taste four of the best wines produced today.

A night at leisure will give you a chance to hang with some of your new friends and have a great dinner. Then you can hit some of the bars, clubs, discos and cafés that play everything from dance music to hard core rock.

Vacation Day 8 - Santorini, Greece

A day at leisure to sleep late, visit one of the many black sand beaches or join the optional morning sailing tour. The leisurely sail gives us a chance to explore a Volcano (entrance not included) and take a refreshing dip in the warm waters of a Hot Springs. Or maybe ride a donkey or take a cable car up to the cliff top town of Fira and then do some shopping.

Let's celebrate our final evening together with an amazing sunset and Farewell dinner. Sunset in Oia is not to be missed! In the evening hundreds of people arrive simply to watch its sunset. Every available seat, wall, step or patch of ground is occupied so our group will arrive in time to browse the tiny shops and get a good view.

Vacation Day 9 - Santorini, Greece - Depart for Home

After breakfast, and according to your flight schedule, transfer to the Santorini airport for your flight to Athens and then back home. Say goodbye to all your new Jewish single friends and the end of another great singles vacation.
